CALL FOR PAPERS

Registration & Abstract submission - **16 March, 2018**

The 18th International Balkan Workshop on Applied Physics and Materials Science (IBWAP 2018) will be held at Ovidius University of Constanta, Romania from **10-13 July 2018**. The research topics covered by IBWAP are in the area of applied physics, atomic and molecular physics, condensed matter, plasma physics, optics, physics education and all other topics concerning the physics community. The fundamental goal of IBWAP is to offer a forum for the exchange of new ideas and realization of physics concepts in technologies such as nanotechnology, optoelectronics and other related technologies. We will be happy to welcome you to IBWAP 2018 and will be grateful for your contribution at the conference.

We are looking forward to seeing you in Constanta.
Yours sincerely,
Conference Organizing Committee
